

My mission

PROJECTION STAGING

Home staging allows you to show off your property to advantage.

It can be carried out either virtually or physically in certain strategic rooms.

With the experience and eye sharpened by the various training courses I've taken, I adapt the possibilities to each situation.

It makes it easier for visitors to imagine themselves living in the property presented in their own way.

HOME STAGING

My mission

MAKE YOUR HOME YOUR REFUGE

**I've taken a full Home Organiser / Management course.
The main aim is to make you happy to be at home and to
come home.**

**I teach you techniques aimed at de-cluttering and
reorganising your interior so that you don't want to leave
your home sweat home.**

**Feel at home like you're on holiday, so that your home brings
you happiness!**
